FISCAL NOTE

HB 534 - SB 599

March 2, 2015

SUMMARY OF BILL: Refines “violent juvenile sexual offender” for purposes of the sex offender registry to mean someone that is adjudicated delinquent for a violent juvenile sexual offense that occurred when the person was between the ages of 14 and 18.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Under the current definition, “violent juvenile sexual offender” could refer to a person that was adjudicated delinquent for an act that would constitute a violent juvenile sexual offense when the person was between the ages of 14 and 18 even though the act occurred when the person was younger than 14 years of age.
- The bill specifies that the act must have occurred when the person was between the ages of 14 and 18 to be a violent juvenile sexual offender.
- The Administrative Office of the Courts, the Department of Children’s Services, and the Tennessee Bureau of Investigation confirm that the bill will not significantly impact their operations so as to require any additional appropriations.
